CPT TRAINING - Waiting for OPOTA

As you know, OPOTA has mandated twenty-four (24) hours of CPT in 2023. As in 2022, I plan to provide this in-person training to officers and agencies that have an interest in hosting. Some of the same departments that hosted CPT in 2022 have already contacted me about hosting again.

As of today, eight (8) hours of the training will be mandatory to include: 3 hours on School Safety Training; 3 hours on Legal Updates and 2 hours on Arrest, Search and Seizure. OPOTA is in the process of developing lesson plans on these topics and hopes to have them posted by early Feb.

The remaining sixteen (16) hours of training will be "optional" training topics that meet the requirements of the ORC for law enforcement training. I have proposed to provide 16 hours on the following topics: 4 hours on Criminal Patrol-Looking Beyond the Traffic Stop; 4 hours on Ethical Leadership/Accountability; 4 hours on Crucial Conversations, 2 hours on Verbal Judo/Crisis De-Escalation and 2 hours on Officer Wellness. I have already prepared lesson plans and PowerPoint presentations on those 16 hours of optional topics and they have been submitted to OPOTA via their CPT PreApproval email box portal. Hopefully, OPOTA will pre-approve my 16 hours of optional training and assign CPT numbers as in the past. Once all of the training lesson plans have been approved, dates and locations of CPT training will be posted on my web site. In the meantime, I am locking in agencies that want to host the training with tentative dates listed on my calendar for 2023 training. Please call 440-353-0796 if your department is interested in hosting a class.
